

ENTER DRAGON ALLEY

Instructions: Read the clues and fill in the 8-letter answers for each set of squares. The two squares where the sets of letters touch will be the same letters. Answers start on the number and go clockwise.

Example: the creator of S.P.E.W. and a lover of books.
(answer: Hermione)

O	N	E	¹ H
I	M	R	E

M	T	A	I	I	T	W	I	I	S

KING'S CROSSWORD PUZZLE

Instructions: Fill in the missing words using the clues. Place the answers in their corresponding boxes by looking at the number and whether the answer goes down or across. All the answers start with the letter "C" or "G".

										1 G I L L Y W E E D																															
										I																															
										L											2 C A T S																				
3 G R Y F F I N D O R								E											A																						
										4 G A R G O Y L E								U																							
										O											D																				
										Y											6 C O R M A				7 C																
										L											O											5 G				8 G					
										O											N											A					R				
										A											F											L					A				
										U											U											E					V				
										9 C H O								N											O					E							
										U											N											O					V				
										10 G R I P H O O K								U											O					E							
										S											N											11 G I N N Y									
										12 C E D A R								U											E											A	
										13 G O L D								O											O											R	
										14 C H A S E R								G											15 C E D R I C												D
										E											16 C H A R L I E																				
										N											U																				
										T											17 C O R N I S H																				

HIDDEN LAST NAMES

Instructions: Search the letters to find the last names of 28 people from the Harry Potter universe. Names can be found horizontal, vertical, diagonal, and backwards. The first letter of each name is given below to assist you.

Bell

Black

Chang

Crouch

Dumbledore

Filch

Flitwick

Fudge

Goyle

Granger

Hagrid

Lockhart

Lupin

Malfoy

McGonagall

Moody

Patil

Potter

Quirrel

Slughorn

Snape

Sprout

Tonks

Trelawney

Umbridge

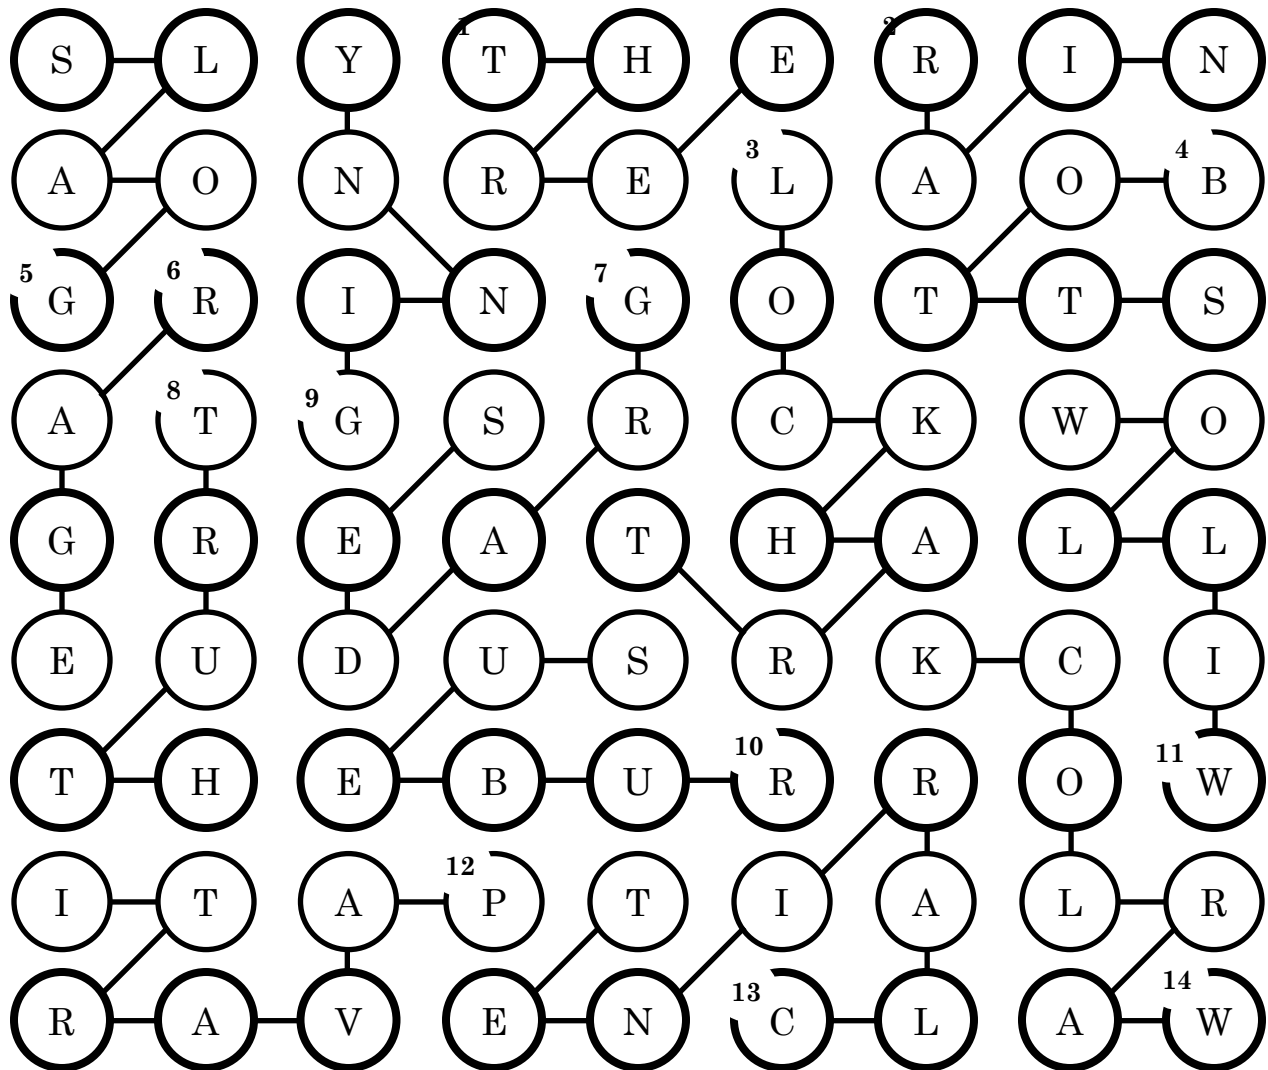

Vane

Weasley

Wood

DISGUISED WORDS

Instructions: For each of the 3 puzzles below, the letters represent other letters that spell out words that fit the category given. You have to figure out what those letters represent.

Professors

Example: Slughorn

SPROUT

LUPIN

SNAPE

FLITWICK

TRELAWNEY

LOCKHART

MOODY

MCGONAGALL

HAGRID

UMBRIDGE

School Supplies

Example: Ink

WAND

CAULDRON

TELESCOPE

ROBE

TEXTBOOKS

PARCHMENT

QUILL

POINTED HAT

BRASS SCALE

PROTECTIVE GLOVES

5-Letter Names

Example: Harry

MOLLY

PERCY

GINNY

DRACO

DOBBY

ALBUS

ARGUS

PADMA

PANSY

JAMES

INVISIBLE CONSONANTS

Instructions: Each word below is missing its consonants. Use the given consonants to solve each word. You will use all the consonants given only once. The theme of this puzzle is **Quidditch Terms**.

Missing Consonants								
B B B	C C	D	F F F	G G	H H	K K	L L L L	M
	N	P P	Q	R R R R R R	S S S S S	T T T		

1. K E E P E R
2. B E A T E R
3. B L U D G E R
4. S N I T C H
5. Q U A F F L E

6. C H A S E R
7. S E E K E R
8. B R O O M
9. G O A L P O S T S
10. F O U L

SCRAMBLED WORDS

Instructions: Unscramble the letters on the left to get the answers for the boxes on the right. The letters in boxes with numbers can be filled in at the bottom to spell out a phrase. The theme of this puzzle is Dumbledore.
