

TRAVEL GAMES

ARROW GAME

Find an arrow pointing north, south, east, & west. This game is for younger children. The person who finds all four first, wins!

FLAG GAME

The object of the game is to reach 100 points. Flags are worth different amounts of points, so the first person who gets 100 points, wins!

American flag	5 points
Sports team flag	2 points
Any other flag	1 point

OVER, UNDER, AND THROUGH

At the beginning of the game, every person decides what number they will be at when they reach their destination. Every time you go over a bridge or overpass, you get 1 point. When you go under a bridge or overpass, you lose 1 point. If you go through a tunnel, your points return to zero. The winner is the person who is closest to the number they chose at the beginning of the game.

Over	Add 1 point
Under	Lose 1 point
Through	Go back to 0
