## What Can 1 Sell On Ebay? Worksheet

1. What items do you know about? (i.e. toys, crafts, makeup)

2. What items do you already have? What items do you not use anymore?

3. Which items are selling? Look up your items on Ebay to see if people are buying them. \*Remember that just because someone is asking a certain price, it doesn't mean they're getting it.

4. Can you ship these items safely and easily? Are they breakable or too big to ship?

5. What items do you see at resale shops and garage sales?

Bonus: Make a list of all the places you can look for items to sell on Ebay.
