

Harry Potter Masterpiece Game Box Lid

DISCLAIMER: I do not own any of the images or fonts that are used to create this game. You may only use my templates for personal use. None of the items in this post or in the resource library can be sold or redistributed for money.

Notes:

This box lid sheet is approx. 22" x 14" in size. This allows enough extra paper for you to tuck under the sides of the box when you attach it.

If you have a different sized box lid and this one doesn't work for you, feel free to email me at jessica@nowthatsthifty.com and I can make a custom box lid for you for free.

This should be printed on poster paper if possible. If you do not have that option available to you, you will need to print it in multiple sheets on your printer.
