

Monopoly Game Box Covers

DISCLAIMER: We do not own the rights to the images or fonts used in these box covers. These box covers are for personal use only. They are not to be sold or redistributed for profit in any way.

Since there are so many different box sizes that you can get, we want to make it easy for you to get the picture you want for your specific box size.

We are offering to make custom box lid designs for FREE.

Just follow the following steps!

Step 1: Choose a picture. You can send us a picture file, or describe the type of picture you want. The picture must be high quality otherwise the image will print out blurry. Picture files accepted: jpeg & png

Step 2: Decide if you want the picture to cover the top and sides of the box lid or just the top. If you want to have the sides of the box be a solid color, please choose what color you would want that to be. (If you know the RGB values of the color, you can send that for exact color matches).

Step 3: Measure your box and write down the size (length x width x height). We prefer measurements in inches, but if necessary, we will accept metric units.

Step 4: Email us your picture choice, box measurements, and your name and email address. Email address: jessica@nowthatsthifty.com

Step 5: Wait to be contacted, we will answer requests within 48 hours. If it has been over 48 hours and you haven't heard from us, feel free to email us again. Depending on our schedule it may take a couple days to create your design. We will try to complete your request as fast as we can!
