

Measuring Scavenger Hunt

Use a ruler, yard stick, or measuring tape to measure items on this list. You cannot use the same object for more than one challenge. Make your guesses before you start measuring. The first person to find all the items wins!

- Which door is the widest? Your guess: _____

- Whose bed is the longest? Your guess: _____

- Which window is the tallest? Your guess: _____

- Which chair has the tallest back? Your guess: _____
